

THE SPIRITUAL CHILD

The New Science
on Parenting
for Health and
Lifelong Thriving

LISA MILLER, PH.D.

Dr. Lisa Miller, a clinical psychologist with more than a decade of cutting-edge scientific research, illustrates just how essential spirituality is to a child's physical and mental health.

"The Spiritual Child" translates these findings into practical advice for modern parents and caregivers by giving concrete ways to develop and encourage their children's well-being, as well as their own.
